

Monster

Kanye West

(Bon Iver)

I shoot the lights out
Hide til its bright out
Whoa, just another lonely night
Are you willing to sacrifice your life?

[Bridge: Rick Ross]

Bitch I'm a monster no good blood sucker
Fat muthafucker now look who's in trouble
As you run through my jungle all you hear is rumbles
Kanye West sample, here's one for example...

(Chorus)

Gossip gossip
Niggas just stop it
Everybody know (I'm a muthafucking monster)
I'ma need to see your fucking hands at the concert
I'ma need to see your fucking hands at the concert
Profit profit, nigga I got it
Everybody know I'm a muthafucking monster

(Kanye West)

The best living or dead hands down huh?
Less talk more head right now huh?
And my eyes more red than the devil is
And I'm bout to take it to another level bitch
There you go again, aint nobody as cold as this
Do the rap and the track triple double no assist
But my only focus is staying on some bogus shit
Argue with my older bitch acting like I owe her shit
I heard the people sayin raps are gettin trap mayne
Bought the chain that always give me back pain
Fuckin up my money so yeh I had to act sane
Chi nigga but these hoes love my accent
She came up to me and said this the number 2
If you wanna make it number one your number 2 now
This that goose an' malibu I call it Malibooya

God damn Yeezy How I hit em with the new style
Know that muthafucker well, what you gon do now
Whatever ever I wanna do, gosh its cool now
Nah gonna do, uhh its a new now
Think yo muthafucker really really need to cool down
Cause you will never get on top off this
So mommy best advice is to get on top of this
Have you ever had sex with a pharoah
I put the pussy in a sarcophagus
Now she claiming I bruise her esophagus
Head of the class and she just want a swallowship
I'm living the future so the presence is my past
My presence is a present kiss my ass...

(Chorus)

Gossip gossip
Niggas just stop it
Everybody know (I'm a muthafucking monster)
I'ma need to see your fucking hands at the concert
I'ma need to see your fucking hands at the concert
Profit profit, nigga I got it
Everybody know I'm a muthafucking monster
I'ma need to see your fucking hands at the concert
I'ma need to see your fucking hands at the...

(Jay-Z)

Sasquatch, Godzilla, King Kong
Lochness, Goblin, Ghoul, a zombie with no conscience
Question what do all these things have in common
Everybody knows I'm a muthafucking monster
Conquer, stomp ya, stop your silly nonsense
None of you niggas know where the swamp is
None of you niggas have seen the carnage that I've seen
I still here fiends scream in my dream
Murder murder in black convertibles
I kill a block I murder avenues
Rape and pillage a village, women and children
Everybody wanna know what my achilles heel is
LOVE I dont get enough of it
All I get is these vampires and blood suckers
All I see is these niggas I've made millionnaires
Milling about, spilling there feelings in the air
All I see is these fake fucks with no fangs
Tryna draw blood with my ice cold veins
I smell a massacre

Seems to be the only way to back you bastards up...

(Chorus)

Gossip gossip

Niggas just stop it

Everybody know (I'm a muthafucking monster)

I'ma need to see your fucking hands at the concert

I'ma need to see your fucking hands at the concert

Profit profit, nigga I got it

Everybody know I'm a muthafucking monster

I'ma need to see your fucking hands at the concert

I'ma need to see your fucking hands at the...

(Nicki Minaj)

Pull up in the monster

Automobile gangster

With a bad bitch that came from Sri Lanka

Yeah I'm in that Tonka, colour of Willy Wonka

You could be the King but watch the Queen conquer

Ok first things first I'll eat your brains

Then I'mma start rocking gold teeth and fangs

Cause that's what a muthafucking monster do

Hairdresser from Milan, that's the monster do

Monster Giuseppe heel that's the monster shoe

Young Money is the roster and the monster crew

And I'm all up all up all up in the bank with the funny face

And if I'm fake I aint notice cause my money aint

Let me get this straight wait I'm the rookie

But my features and my shows ten times your pay?

50k for a verse, no album out!

Yeah my money's so tall that my barbie's gotta climb it

Hotter than a middle eastern climate

Find it Tony Matterhorn dutty wine it

While it, nicki on them titties when I sign it

Have these niggas so one-track minded

But really really I don't give a Fuck

Forget barbie fuck nicki she's fake

She's on a diet but her pockets eating cheese cake

And I'll say Bride of Chucky is child's play

Just killed another career it's a mild day

Besides Ye they can't stand besides me

I think me, you and Am should menage friday

Pink wig thick ass give em whiplash

I think big get cash make em blink fast

Now look at what you just saw

I think this is what you live for...
Aaaahhh, I'm a muthafucking monster!

(Bon Iver)

I-I crossed the line-line
And I'll-I'll let God decide-cide
I-I wouldn't last these shows
So I-I am headed home...

I-I crossed the line-line
And I'll-I'll let God decide-cide
I-I wouldn't last these shows
So I-I am headed home...
