

Oblivion

Bastille

When you fall asleep
With your head upon my shoulder
When you're in my arms
But you've gone somewhere deeper Are you going to age with grace?
Are you going to age without mistakes?
Are you going to age with grace?
Only to wake and hide your face When oblivion is calling out your name
You always take it further than I ever can When you play it hard
And I try to follow you there
It's not about control
But I turn back when I see where you go Are you going to age with grace?
Are you going to leave a path to trace? But oblivion is calling out your name
You always take it further than I ever can When oblivion is calling out your name
You always take it further than I ever can When oblivion is calling out your name
You always take it further than I ever can
