

Changing All Those Changes

[Madeleine Peyroux](#)

Sweetheart, I m changing all those chages that I made
When I left you
Because I made those changes
When I thought you were untrue
Well now you re gone and I found I m wrong
And there s nothing I can do
Except to change up all those changes
That I made when I left you
To change up all those changes
That I made when I left you
Oh I didn t stop to think, no
I just left without a care
But now I know I m wrong
And I can t find you anywhere
Well I should reconsideredCause now I m changing all those changes
That I made when I left you
I m changing all those changes
That I made when I left you
That s right
Oh now you re gone and I fond I m wrong
And there s nothing I can do
Except to change up all those changes
That I made when I left you
To change up all those changes
That I made when I left you
I m changing all those changes
Sweetheart
I m changing all those changes
That s right
I m changing all those changes.
