

Feel So Free

Ivy

Ask me again
I'll take my chances
I don't know how to begin You can't understand
I've got no answers
I can't explain where I've been I should've known better
I should've known by now
I should've known better
I should've known by now And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight
And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight I can't go back
I can't imagine
Starting all over again Try to relax
Get no reaction
There's just no way to pretend I should've known better
I should've known by now
I should've known better
I should've known by now And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight
And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight And I feel so free
Yeah, I feel all right And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight
And I feel so free
Yeah, I feel alright
Never thought I'd feel
Like I feel tonight
And I feel so free
Yeah, I feel alright

Never thought I'd feel
Like I feel tonight
