Black Ghost

Gay Dad

there's a Black Ghost on my trail
won't go away, won't disappear
Black Ghost never fails to get his way
I'm going to run like hell
down the longest road
when I turn around he'll be waiting there I know
Black Ghost knows me well
out of my time
a troubled dreamer keeps calling
on someone or something
out of my mind
a troubled dreamer keeps looking
for something or someone to
free me
free me
let me go please
though I try to shake him free
I know that he's a part of me
Black Ghost living on he knows me well
out of my time
a troubled dreamer keeps calling
on someone or something
out of my mind
a troubled dreamer keeps looking
for something or someone to
free me
free me
let me go please
over and over and over again
and I know what I know
what I know what I know
it's done
he's coming down
he's with me now
Black Ghost by my side
he's with me now
there's a Black Ghost on my trail
won't go away won't disappear
Black Ghost never fails to get his way

though I try to shake him free
I know that he's a part of me
Black Ghost living on he knows me well
out of my time
a troubled dreamer keeps calling
on someone or something
out of my mind
a troubled dreamer keeps looking
for something or someone to
free me
free me
let me go please
over and over and over again
and I know what I know
what I know what I know
it's done
he's coming down
he's with me now
ghost coming down
Black Ghost by my side
