

# Talk to Me

## Beverley Craven

I don't know what I've done, but  
Something isn't right  
So I've been second guessing you  
Trying to read your mind  
How can I be on your side  
You won't confide in me confide in me  
Come on speak your mind  
Tell me why  
You can't talk to me  
Talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything  
Don't treat me like a stranger  
Let me inYeahIf I've been patronizing, I apologize  
I used to be the one you'd call  
For a friends advice  
If I'm the one  
What have I done  
I don't know how you feel you feel about itIf I've let you down  
Tell me now  
You can talk to me  
Talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything  
Don't treat me like a stranger  
Let me inCos when things get you down  
And you need someone around  
I'll be there ooh I'll be there, ooh to pick you up  
When it all becomes to much  
And you need someone to trust  
Ple-ease let it be me-e-e, can't talk, can't talk yeahOoh, talk to me  
Talk to me  
Let me try to understand the way you feel  
Ooh, talk to me  
I wanna know everything

Don't treat me like a stranger

Let me in  
Can't talk, can't talk  
Can't talk, can't talk  
Can't talk, can't talk  
Can't talk, can't talk  
Ooh can't talk  
Can't talk
