

# Obsessed

## Boa

It's a crime, it's a crime  
It's a shame, it's a crime I'm climbing the walls  
Losing my mind  
It's all your fault I'm breaking the rules  
Don't really care if I get caught  
Can't you tell that I'm in love love love  
Can't get enough of you  
Need you night and day When you're not around I'm tested  
I could get arrested  
Carrying on this way  
I'm going crazy here by myself  
I want you and no one else  
Sending out a signal of distress  
I confess, I'm obsessed uh oh uh oh oh oh  
It's a crime, it's a shame  
Holding your love for me  
uh oh uh oh oh oh  
It's a crime, it's a shame  
It's a crime Oh, I'm obsessed~ No telling what I might do tonight  
Waiting for you I'm right on the edge  
I'm crossing the line  
Coming in blue  
Can't you tell that I'm in love love love  
Can't get enough of you  
Need you night and day When you're not around I'm tested  
I could get arrested  
Carrying on this way I'm going crazy here by myself  
I want you and no one else  
Sending out a signal of distress  
I confess, I'm obsessed uh oh uh oh oh oh  
It's a crime, it's a shame  
Holding your love for me  
uh oh uh oh oh oh  
It's a crime, it's a shame  
It's a crime Got me going crazy  
The way I want you baby  
Can't even try to hide it  
Don't even wanna fight it  
I'm obsessed with you tonight

I'm obsessed with you tonight I'm going crazy here by myself

I want you and no one else

Sending out a signal of distress

I confess, I'm obsessed uh oh uh oh oh oh

uh oh uh oh oh~
