

Peculiar

Harts

[Chorus]

Don't it ever seem like time is a waste
Don't it ever seem like we're gone without a trace
Don't it ever seem like I told too many lies
It's beautiful when we don't have to try[Chorus]
Don't it ever seem so peculiar babe
Colors all around but we only see gray
Don't it ever feel so peculiar babe
When the world around us stops we'll all be [?][Chorus]
Don't it ever feel like a smile lost its place
Don't it ever feel like we're fallen from grace
Don't it ever seem like the bird fly so high
It's beautiful we don't have to try[Chorus]
Don't it ever seem so peculiar babe
Colors all around but we only see gray
Don't it ever feel so peculiar babe
When the world around us stops we'll all be [?][Chorus]
Don't it ever seem so peculiar babe
Colors all around but we only see gray
Don't it ever feel so peculiar babe
When the world around us stops we'll all be [?][Chorus]
Don't it ever seem so peculiar babe
Colors all around but we only see gray
Don't it ever feel so peculiar babe
When the world around us stops we'll all be [?]
