Believe Me Baby

James Hunter

Well I love you baby an I
Always will
But your big mouth
'Bout to get me killed

[Chorus:]
If you don't believe me baby
If you don't believe me baby
If you don't believe me baby
Haf to show you what's goin' on

Well I'll give your family
One last chance
But I'll stand for one more
Sideways glance

[Chorus:]

Well I'll take you away to my
Wonderland
If you'll just take my greasy hand

[Chorus:]
Ooooh, ahhh
Believe me baby...
If you don't believe me baby
Haf to show you what's goin' on
