

# Paragons of Innocence

## Savatage

(Oliva/O'Neill)

Day  
Into night  
Into day  
Into I don't know you anymore  
But I stand  
Where you say  
Thinking all the time you planned it  
You've been gone away too long  
Leaving us to carry on  
Though in truth you never tried  
Just stepped back and watched the slide  
Paragons of innocence  
Questioning of your intent  
Never quite sure what you meant  
From the other side  
Moments on the carousel  
Must admit we ride it well  
And the horses never tell  
All throughout the ride  
That no one leaves  
No one leaves  
No one leaves...  
Alive  
Time  
On my hands  
Slips away  
Till I just don't feel it anymore  
Thinking back  
When I can  
To the time when it began with  
Bits of dreams all in a line  
And somehow we missed the signs  
That it all was never real  
And in truth a fatal deal  
Paragons of innocence  
Questioning of your intent  
Never quite sure what you meant  
From the other side

Moments on the carousel  
Must admit we ride it well  
And the horses never tell  
All throughout the ride  
No one leaves  
No one leaves  
No one leaves...

Alive

There always comes a time  
When you do what you want to do  
You know you shouldn't do it  
But you do it anyway  
And when he had that time  
When he knew what he wanted to  
He quickly placed his order  
Though he never thought he'd pay  
But the lines turned to lies  
And the lies turned to tangles  
And you're pale as a cadaver  
Though you think it doesn't show  
So you live with the lies  
And the friends that it gathers  
But somewhere in your heart you know you  
Got to let it  
Got to let it  
Got to let it  
Got to let it  
Got to let it  
Got to let it  
Got to let it  
Got to let it  
Got to let it

Go

Paragons of innocence  
Questioning of your intent  
Never quite sure what you meant  
From the other side  
Moments on the carousel  
Must admit we ride it well  
And the horses never tell  
All throughout the ride  
No one leaves  
No one leaves  
No one leaves...

Alive
