

Amorous

Machine Gun Fellatio

Baby's gone away for several days
And I'm awake and I'm amazed
I haven't shaved I haven't bathed
And I'm dismayed to say I caved
To all I'm craved I've misbehaved
I am depraved I can't be saved

I can't be saved I can't be saved Change the words and steal the riff
Change the words and steal the riff
Change the words and steal the riff

With the addition of camera lights I'm feeling amorous I'd take a bullet for you, man

I'd take a bullet for you, man

et for you, manI'd take a bullet

I'd take a bullet for you, man

er you, manDreamed she'd never seen bet-

smoke-screens, my hidden str

But I'm deceived I was naive

and I won't bleed or beg or plead

For sympathy, all I believed
I had lost.

Is in smithereens I come in peace
as I come in peace I'd take a bullet

I come in peace I come in peace I take a bullet for you, man
I take a bullet for you

I'd take a bullet for you, man

I'd take a bullet for you, man I'd take a bullet for you, man
I'd take a bullet for you, man I'd take a bullet for you, man

I'd take a bullet for you, man
With the addition of

I'd take a bullet for you, man with the addition of camera lights I'm feeling amorous
With the addition of camera lights I'm feeling amorous

With the addition of camera lights I'm feeling amorousChange the words and steal the rift

Change the words and steal the riff

Change the words and steal the fun
the cat and the kiss

Change the words and steal the first line
Change the locks and steal the rest

Change the locks and steal the rent
Change the locks and steal the rent

Change the locks and steal the rent
Change the locks and steal the rent

Change the locks and steal the rent
Editions from the light. Use of a

With the addition of camera lights I'm feeling amorous
