

Dance The Night Away

Bobby Valentino

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, oh yeah, ooh
Hold me, hold me, baby, don't let me go
This feeling, feeling in your arms they continue to grow
When we move to the left, we move to the right
I spin you around, look into your eyes
We'll be dancing, dancing the night, the night away

Oh yeah, oh yeah, oh yeah
Oh yeah, oh yeah, ooh
When we move to the left, we move to the right
I spin you around, look into your eyes
Dancing, dancing, dancing the night away, ooh
