Fight or Flight

Fallen Captive

In loving memory of the man I used to know,
you held a life full of pride and it goes to show,
that you're in our hearts and we won't let go.

We wont let go!

As the night calls you for one last flight,
spread your wings reach to the sky!

But it was your life, your way of goodbye
your choice of fight or flight.
I wont be the one to put my life between your neck and the noose.

IN THIS ENDLESS NIGHTMARE!

that I cant escape from and I've tried so hard
but the memories wont be erased from.

We carry on

We carry on and our memories won't be forgotten,
and we cherish the day, you flew away.

Now you've got everything you wanted.

You're hiding in the shadows of the night sky
and we feel you by our side.

Always by our side.

(why, I'm losing sight)

Oh god why is this happening,

Oh god grant me serenity to accept
the things I can't change,
and the courage
to change what I can.

I hold my own...

I hold my own memories
of the man that you used to be
and of the friend you are,
and what this
means to me..
