You're not alone  
It didn't take long,  
you were never alone  
From bakery to bakery,  
no walkin' in between  
Did you even feel me go?

I still feel it  
The piercin' in my heart  
The only other time  
I ever felt so bad  
Was when I thought  
it was good to be with you

Did you ever walk the talk?  
Pseudo-feminist intellectual  
Quicksand man from academia  
Sucked me right in

We went out one night  
I finally gave into your calls  
You spoke so well  
I couldn't even hear what  
My guts were telling me

Did you even see me?  
Was it only yourself  
you could see?  
Did I only reflect your weakness?

Oh baby, you weren't ready for me

I need freedom  
I need relief within my heart  
Truth respect and excitement  
And a love to go a long, long way
