

Tragedy In Waiting

O.A.R.

It's a tragedy in waiting
And there's something on my mind
It's hard enough for me to carry on Well, it's a tragedy in waiting
And there's something on my mind
It's hard enough for me to carry on Well, call me pleasure if you like
But believe me when I say
I will learn to change it all It's not like I'm asking for the sky to open up
I don't believe that's possible just yet Well, it's a tragedy in waiting
And there's something on my mind
It's hard enough for me to carry on Have you ever left your suitcase
Open long after you land
'Cause you're scared to find a way
To love them close A destiny may wait and there's present in hand
But they forgot to tell me how to end this show Could it be that I'm the one
Who holds my hand behind my back
Well, I know that this is possible by now
But destiny may take me so far from where I am
But it's hard enough for me to hold it down You want me so badly to give right into you
But I'm afraid that cannot be the case today
You dream of land and marriage, just me and you
Oh, my mind won't you leave me be
Won't you just leave me for me Love is the only way out of this
It's the only way I can get back into it Be an afternoon or more beyond the breaking of the day
There is always something waiting there for me
I've asked again and then again just to glimpse into my day
But someone's trying to make it hard on me Could it be that I'm the one
Who tied my hand behind my back
Well, I know that this is possible right now It's a tragedy in waiting
When there's something plaguing the mind
And it's hard enough for love to hold me down Well, I don't believe it
Well, I can't believe it
Well, I don't believe it
I'll never believe it no, so I'm gone You want me so badly to give right into you
Well I'm afraid that cannot be the case today
So you dream of land and marriage, just me and you
Oh, my mind won't you just leave me be
Won't you just leave me for me For me
For me
For me
