Screw You

Cheryl

We can't love, not like this
You broke me down, do I even exist?
After everything, gave you everything, I lost everything
Love is so lonely now'Cause I don't wanna run no more
Can't believe all the shit I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I'd held for you
But it never was enough, I never got your love
I loved you so much but you never gave a fuckSo screw you
Never loved, no you never loved me
After all the love that I gave to you, boy screw you
Never loved, no you never loved me
Yeah, screw you
Never loved, no you never loved me
All that I did, I did for you, boy screw you
Never loved, no you never loved me
Screw youGave it all I had, gave it all I could
Got me feeling ways I probably never should
Could've been the best performer of the show
But now we'll never know, now we'll never knowI can still remember our first date, yeah
Never thought I'd ever scream I hate ya
You can probably hear me clear from far away
You could only stand to love me yesterday'Cause I don't wanna run no more
Can't believe all the shit I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I'd held for you
But it never was enough, I never got your love
I loved you so much but you never gave a fuckSo screw you
Never loved, no you never loved me
After all the love that I gave to you, boy screw you
Never loved, no you never loved me
Yeah, screw you
Never loved, no you never loved me
All that I did, I did for you, boy screw you
Never loved, no you never loved me

Screw youI'm trying to keep the peace
We've become a nightmare ruining my sleep
Pain in my right ear saying screw me
'Til I throw a spanner in the works and they leak
Oh what a dream, wake up my soul
Judge a book by the cover when I saw you on the Vogue
Managing my love, you would spend my roll
And now I'm left back feeling kinda cold
Whoa, so screw youWe can't love, not like this
You broke me down, do I even exist?
After everything, gave you everything, I lost everything
Love is so lonely now'Cause I don't wanna run no more
Can't believe all the shit I did for you
And I don't wanna hurt no more
Oh my heart, it must've been too big for you
So caught up in the love I felt for you
I burned out like a flame I'd held for you
But it never was enough, I never got your love
I loved you so much but you never gave a fuckSo screw you
Never loved, no you never loved me
After all the love that I gave to you, boy screw you
Never loved, no you never loved me
Yeah, screw you
Never loved, no you never loved me
After all that I did, I did for you, boy screw you
Never loved, no you never loved me
Screw you
