

# Lena Rose

## Mercutio

We gotta keep moving  
We gotta hang on  
We gotta keep moving  
We gotta stay strong  
No matter what  
We gotta keep moving  
No matter what  
We gotta keep moving

Did you hear about what happened to Lena Rose?  
She had everything she wanted, but she didn't know  
That the bank, the bank would foreclose  
And although she's free it's not the way it was meant to be  
And although she ran she wasn't free in her native land

We gotta keep moving  
We gotta be free  
We can move mountains  
We can part seas  
No matter what  
We gotta keep proving  
No matter what  
We gotta keep proving

Did you hear about what happened to Lena Rose?  
There was nothing more she wanted than to sing what she wrote  
In a place that she could call home  
And although she tries she can't express what she feels inside  
And although she's alive she works so hard just to survive

Did you hear about what happened to Lena Rose?  
She had nothing that she wanted until she let go  
And embraced a life on the road  
And despite her fame she smiled and felt no shame  
And despite her acclaim they couldn't change what she became
