

Like My Mother Does (American Idol Performance)

[Lauren Alaina](#)

People always say
I have a laugh
Like my mother does
Guess that makes sense She taught me how to smile
When things get rough I've got her spirit
She's always got my back
When I look at her
I think, I want to be just like that When I love I give it all I've got
Like my mother does
When I'm scared, I bow my head and pray
Like my mother does When I'm weak and unpretty
I know I'm beautiful and strong
Because I see myself like my mother does
Like my mother does I never met a stranger
I can talk to anyone
Like my mother does I let my temper fly
And she can walk away
When she's had enough She sees everybody
For who they really are
I'm so thankful for her guidance
She helped me get this far When I love I give it all I've got
Like my mother does
When I'm scared, I bow my head and pray
Like my mother does When I'm weak and unpretty
I know I'm beautiful and strong
Because I see myself like my mother does She's a rock
She is grace
She's an angel
She's my heart and soul
She does it all When I love I give it all I've got
Like my mother does
When I'm scared, I bow my head and pray
Like my mother does When I'm weak and unpretty
I know I'm beautiful and strong
Because I see myself like my mother does
Like my mother does I hear people sayin'
I'm starting to look like my mother does
