

You Are the One (feat. Sam Milby)

Toni Gonzaga

Another day passes by, i'm dreamin' of you,
And though I know it might be just a dream, dreams come true,
Somewhere, somehow i'll find you even though it takes all of
My life{all of my life}And when I finally do{and when I finally do}
I know inside my heart{ I know inside my heart}
That there could be no doubt, I knew it from the start{you are the one}you are the one
That i've been searching for my whole life through,
{you are the one}you are the one that i've been looking for
And now that I have found you,
{duet}i'll never let you go, i'll hold you in my arms
You are the oneAnother night spent alone
I'm lying in the dark{lying in the dark}
I don't know your name
But I know your voice sings to my heart{voice sings to my heart}
A sweet melody, a symphony of loveI know that come one day{i know that come one day}
I time for you and me{a time for you and me}
To finally be together, cause I know we're meant to be
{repeat cho. except last sentence}Forever's a meaningless word
Even though you're here with me
Here by my side, here in my heart{duet} i'll never let you go i'll hold you in my arms{you are the one} you are
the one that i've been searching for my whole life through
{you are the one}that i've been looking for and now that I have found you
{duet} i'll never let you go, i'll hold you in my arms
{repeat 1}Cause you are the one, you are the one
