

Laredo

Snakefarm

You've always been a friend of mine
And that's the way we'll be 'til the day I die
Yeah, it's good to know you're on my side
'Cause now you know she's leaving me
And I need your help to make her see
So turn on your charm and let it shine
'Cause you've always been the one
Who could make her stay around
So when she gets to the city limit sign
 Don't let me down
 Oh Laredo, don't let her go
 Just take her by the heart
 And let the wheels turn slow
 Oh Laredo, you're my only hope
 So get her back to the day we met
 'Cause that's as far as she needs to get
 And oh, but please don't let her go
 Oh Laredo
 Make her think about the moonlit walks
 And the long, long talks by the waters edge
 With her feet hanging off the cane creek bridge
 And bring to mind the first kiss we shared
At the old town square when she drives down there
 'Cause that's a day she said she could never forget
 Keep the nights by the candlelight
 As an ace in the hole
 'Cause those are nights of passion
 That I know will bring her home
 Oh Laredo, don't let her go
 Just take her by the heart
 And let the wheels turn slow
 Oh Laredo, you're my only hope
 So get her back to the day we met
 'Cause that's as far as she needs to get
 Oh, but please don't let her go
 Oh Laredo
 Oh Laredo, don't let her go
 Take her by the heart
 And let the wheels turn slow

Oh Laredo, you're my only hope
So get her back to the day we met
'Cause that's as far as she needs to get
Oh, but please don't let her go
Oh Laredo
Don't let her go
You're my only hope
Oh Laredo
