

Live Your Life

Mika

You've got the whole world in your pocket
But you just don't know
Everybody's smiling at you
Everywhere you go
It's like you've got that secret
That everybody else wants to know
Anywhere you are
Is just like home to you
From the beaches of Manilla
Down to Kathmandu
Yeah, you've got that secret
That everybody else wants to know
But you won't ever let it go, oh
Everybody wanna hold your hand
Everybody wanna shine that bright
Everybody wanna say they can
Everybody wanna live your life
Everybody wanna talk like you
Only wanna do the things you do
Cause they know it's gonna turn out right
Everybody wanna live your life
We take a whole room full of strangers
And we make them friends
We do it all around the world
Just so it never ends
It don't matter where we're coming from or going to
You're the only one that ever turns a grey sky blue
And everybody needs a friend like you, oh
Everybody wanna hold your hand
Everybody wanna shine that bright
Everybody wanna say they can
Everybody wanna live your life
Everybody wanna talk like you
Only wanna do the things you do
Cause they know it's gonna turn out right
Everybody wanna live your life
Somos ciudadanos del mundo asÃ-
Yo siempre a tu lado y tu junto a mi
El mundo esta en tus manos, no lo sabes ya
Como un diamante siempre brillara, so
Everybody wanna hold your hand
Everybody wanna shine that bright
Everybody wanna say they can
Everybody wanna live your life
Everybody wanna talk like you

Only wanna do the things you do
Cause they know it's gonna turn out right
Everybody wanna live your life
Everybody wanna live your life
Everybody wanna live your life
