If the South Woulda Won

Hank Williams, Jr.

Advisory - the following lyrics contain explicit language:

If the South woulda won, we woulda had it made
I'd probably run for President of the Southern States
The day Elvis passed away would be our national holiday
If the South woulda won, we woulda had it madeI'd make my Supreme Court down in Texas
And we wouldn't have no killers getting off free
If they were proven guilty, then they would swing quickly
Instead of writin' books and smilin' on TVWe'd all learn Cajan cookin' in Louisiana
And I'd put that capital back in Alabama
We'd put Florida on the right track, 'cause we'd take Miami back
And throw all them pushers in the slammerOh, if the south woulda won, we woulda had it made
I'd probably run for President of the Southern States
The day young Skynyrd died, we'd show our southern pride
If the south woulda won, we woulda had it made
"Play a little dixieland boys, ah yes"I'd have all the whiskey made in Tennessee
And all the horses raised in those Kentucky hills
The national treasury would be in Tupelo, Mississippi
And I'd put Hank Williams picture on one hundred dollar billI'd have all the cars made in the Carolinas
And I'd ban all the ones made in China
I'd have every girl child sent to Georgia to learn to smile
And talk with that southern accent that drives men wildI'd have all the fiddles made in Virginia
'Cause they sure can make 'em sound so fine
I'm going up on Wolverton Mountain and see ole Clifton Clowers
And have a sip of his good ole Arkansas wineHey, if the South woulda won we'd a had it made
I'd probably run for President of the Southern States
When Patsy Cline passed away, that would be our national holiday
If the South woulda won, we'd a had it made, olay he hee hee
I said if the South woulda won, we would a had it madeMight even be better off
