

Dissident Aggressor (Judas Priest cover)

Halestorm

Grand canyons of space and time universal
My mind is subjected to all Stab! bawl! punch! crawl!
s to my brain are well in
Stab! bawl! punch! crawl!
I know what I am, I'm berlin Through cracked, blackened memories of unit dispersal
I face the impregnable wall Stab! bawl! punch! crawl!
s to my brain are well in
Stab! bawl! punch! crawl!
I know what I am, I'm berlin Exploding, reloading, this quest never ending
Until I give out my last breath
I'm stabbing and bawling, I'm punching and crawling
s to my brain are well in
I'm stabbing and bawling, I'm punching and crawling
I know what I am, I'm berlin
