

Hell Of A Ride

Saving Abel

I don't really want this to end.
It seems as though it all just began.
It's not as if I don't know your pretending your leaving.
You poured your heart out to me. Your words are hard to believe.
I see you so see through.
Don't make promises you can't,
Keep your mouth shut, you talk to damn much.
Once again you let me in and give yourself away. Get gone if you want.
You can go ahead and leave, it doesn't bother me.
Or you could, just stay, and cut me down in a different way.
If it ain't right, I can't make it right, Yeah!
So goodbye, It's been a hell of a ride! So tell me where will you go?
What will you do, or do you know?
Feel free to say good bye, feel free to leave at anytime.
You want to, I just know you want go anywhere, anytime soon. Get gone if you want.
You can go ahead and leave, it doesn't bother me.
Or you could, just stay, and cut me down in a different way.
If it ain't right, I can't make it right, Yeah!
So goodbye, it's been a hell of a ride! (It's been a hell of a ride) Yea! Get gone if you want,
You can go ahead and leave, it doesn't bother me.
Or you could, just stay, and cut me down in a different way.
If it ain't right, I can't make it right, Yeah!
So goodbye, it's been a hell of a ride! It's been one Hell of a ride, goodbye, goodbye,
It's been one Hell of a ride, yeah!
It's been one Hell of a ride! Yeah!
