Good Morning

Mandisa

Wave away my yesterday
'Cause I'm leaving it behind me
Hello sunshine, come what may
I feel something new inside meI hear the birds singing
Now my alarm's ringing
Get up, get up, heyIt's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my wayGood morning
You give me strength
You give me just what I needAnd I can feel the hope
That's rising in me
It's a good morningSlow down, breathe in
Don't move ahead
I'm just living in this momentI've got my arms raised, un-phased
Jump out of bed
Gotta get this party goingI went to bed dreaming
You woke me up singing
Get up, get up, heyIt's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my wayGood morning
You give me strength
You give me just what I needAnd I can feel the hope
That's rising up in me
It's a good morning
Good morningNow I'm smiling, and I'm kissing
All my worries goodbye
Got the feeling, if I spread my wings
I might even flyYou are my truth, my way
Give me the strength to say
Get up, get up, get up
'Cause it's a good morningMr Mac to the micHey, top of the morning to you, 'Disa
You smoothie, me ice cold pizza
Cafe au lait, latte dah
You do the zumba, but I do notGive me like half a marathon
I'll give you the gospel of St. John

Hits me like a wake up bomb
'Cause we both know that His mercy flows
In the morningWake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my wayGood morning
You give me strength
You give me just what I needI can feel the hope
That's rising up in meIt's a good morning
Wake up to a brand new day
This morning
I'm stepping, stepping
Stepping on my wayGood morning
You give me strength
You give me just what I needI can feel the hope
That's rising up in me
It's a good morningTop of the morning to you, 'Disa
Hey, top of the morning to you, girl
To-to-top of the morning to you, 'Disa
Morning little miss sunshineMan, you morning people
No, I'm serious
