Trap back jumpin, everything twerking  
And ain t a damn snake nigga in my circleNigga violators, we gonn turn his ass purple  
If you want it you can meet me out in traffic  
Busting out the plastic, break it down and bag it  
And sell it to an addict, ok  
Niggas violate, we putting his ass in a casket  
Dope running low, then we robbing like castle  
No bank account cause the shoe box, serving calls to my burglar bars  
Break in your house, to your pills, call that burglar house

Gotta make a chicken run, now I m on my moving shit  
Yeah nigga, whole night, know the trap twerking  
So call me on the phone, don t come to me in person  
Nigga need that work, on the first coming  
Cause nigga scared money don t make no money  
[Hook] x 2  
Trap back jumpin, everything twerking  
And ain t a damn snake nigga in my circle  
Erybody eat, cause erybody working  
Nigga violators, we gonn turn his ass purple.
