

I Could Have Been a Dreamer (Remastered)

DIO

Running with the wolf pack
Feel like I'm never coming back
And every time there's sunshine
I'm blind, yeahI am everybody
And everyone that I know is me
Everyone that I know won't seeI could have been a dreamer
I could have been a shooting star
I could have been a dreamer, yeahI'm another number
And you know the numbers must agree
But every time the wind blows
I can't fly why?We take away tomorrow
And never see the end of today
Lock it up and send it away foreverI could have been a dreamer
I could have been a shooting star
I could have been a dreamer
Cause dreams are what we are
I could have been a dreamerRunning with the wolf pack
Feel like I'm never coming back
But maybe that was sunshine
That I sawI've heard about a rainbow
I've heard it makes you crazy
I think I'm goin' crazy
Crazy 'cause I seeI could have been a dreamer
I could have been a shooting star
I could have been a dreamer
Cause dreams are what we areI could have been a dreamer
I could have been the one to fly
I always could have been a dreamer
Cause dreamers never die, no!I could have been a dreamer
Dreamer
I could have been a dreamer
Dreamer
I could have been a dreamer
Dreamer
I could have been a dreamer
