

# My Faith In You

[Brantley Gilbert](#)

Advisory - the following lyrics contain explicit language:

Yeah, this world will turn its back  
When you find yours against that wall  
Just watch it as it keeps on spinning  
Just like there's nothing wrong.  
That's why I'm thumbing through these pages  
They say the answers are in red  
And I believe they're in there somewhere  
I just haven't found 'em yet  
It's the only hope that I got left 'Cause I could stand to lose my faith in  
Friends that come and go  
Yeah, they'll be there when you need them,  
They say that when you don't  
I could give up on my heroes  
Could let myself down, too  
But what would I do  
If I lost my faith in you?  
My faith in you! You know I've learned through all these stories  
All about the pain you felt  
And I know you did all that for me  
And I'm still asking you for help  
'Cause Lord I just can't help myself! I could stand to lose my faith in  
Friends that come and go  
Yeah, they'll be there when you need them,  
They say that when you don't  
I could give up on my heroes  
Could let myself down, too  
But what would I do  
If I lost my faith in you?  
My faith in you 'Cause I've been beaten, I've been broken  
I've been dangerously bruised  
And Lord, I never would have made it  
If I'd of lost my faith in you

If I'd lost my faith in you Know you always got my back  
And I don't know why  
It feels like I deserve it  
For a hell raiser like me  
To have a safe place to land  
Can't thank you enough,  
You saved my life I will never lose my faith in you, oh, oh  
My faith in you  
I'll never lose my faith in you
