

Cadaveric Mutilation

Waco Jesus

A fascination with mutilating the dead
I view internal organs during disembowelment
draped in your intestines there's nothing left
no evidence of your life or your existence
 no skin tissue or fragments
 you have dropped off the earth
 post mortal
 cease to exist
 fuck your soul
 awaiting troop of sickness
 extinction of the weak
 dropping off the face of the earth
 I file your teeth down
 blow your head off at point blank range
 with a sawed off shotgun
 mutilation of the dead
 high on drugs fucked up
 immortal I'm god
 your god can eat shit
 pure hatred
 fuck you
 cutting you from your crotch up
 removing your fucking guts
 puncturing vessels
 severing your breasts and sewing them on myself
 I fondle them slowly
 nauseated from the sight of the dead
 salivating from my mouth
 butchering bodies
 exploring pleasures deep within your bowels
