

# Super Tony

## Robbie Williams

Cocaine

CocaineLook at the mess we all made of ourselves

I don't remember it well

Everyone trying to be someone else

I was someone else as wellBut it's alright

When you're getting the show right

Cocaine

CocaineCan you recall all the cubicle scenes?

Didn't we talk well?

Professional Northerners we might have been

We got a new walk as wellBut it's alright

When you get your stroll right

Cocaine

CocaineStuck in a lift with a vacuum nose pipe

.....

Super Tony goin' too far Tony

Yes it's all about me again boys

This is the part where i do .....

Super Tony going too far Tony

CocaineIsn't it nice that our fingers make knees

Let's throw a mall night

I got a nose bleed nobody care

Up with the big headsBut it's alright

When you're so rightStuck in a lift with a vacuum nose pipe

.....

Super Tony goin' too far Tony

And yes it's all about me again boys

This is the part where i do .....

Super Tony going too far Tony
