My Child, Me and BabyFirstTV

BabyFirstTV

When weâ€™re together
These are the happiest times for me
Laughing and playing
Having fun with my family
My child, me and Baby First TV
My child, me and Baby First TV
My child and me!

When weâ€™re together
Showing you all that there is to see,
Sharing and learning
Just how wonderful the world can be
My child, me and Baby First TV
My child, me and Baby First TV
My child and me!

My child, me and Baby First TV
My child, me and Baby First TV
My child and me!

When weâ€™re together
Watching you grow so beautifully
Smiling and dreaming
About all the joys the next day will bring
My child, me and Baby First TV
My child, me and Baby First TV
My child and me!
