

His Mistakes

Usher

Do I remind you of the pain
That he put you through, girl?
Is that the reason Im to blame
Before I do it? Is it because he treated you badly
I always stand accused?
Protecting yourself from somebody else
Im not whos hurting you, girl And its killing me girl, knowing
You compare me to him
Always guilty before the sin
I cant win, I cant win, no Ill do anything to prove I love you
Baby girl, but I refuse to
Pay for something I didnt do, I love you, girl
But I refuse to stay paying for his mistakes He left a scar across your heart
I understand, girl
Dont let his wrongs tear us apart, no
Girl, Im your man Just because he did, you swear Im cheating
You think I just dont care
Why must I do time for another mans crime?
Girl, you know that aint fair, no, no And its killing me, girl
Knowing you compare me to him
Always guilty before the sin
I cant win, no, I cant win Ill do anything to prove I love you
Baby girl, but I refuse to
Pay for something I didnt do, I love you, girl
But I refuse to stay paying for his mistakes I know he did you wrong
But tell me, what does that have to do with me?
Trying to show you something real
Figure out what is going on
Before you look up and Ill be gone Oh, Ill do anything to prove I love you
Baby girl, but I refuse
To pay for something I didnt do, girl
I love you and I love you, I love you Ill do anything to prove I love you
Baby girl, but I refuse
To pay for something I didnt do, no
I love you, girl
But I refuse to stay paying for his mistakes
