

# Goin' South

R. Scott

Nickel soldier playing war  
Silver lining downpour  
Jawbone asp whip, reign 'em in  
Marching onward

Goin'™ south

After a season like the one just past  
Spring monkeys need cleaning in the fall

Medal mistress  
Keep keepin'™ on  
One son home, one gone  
Smell of bourbon, deck of pain  
Lay her down

After a season like the one just past  
Spring monkeys need cleaning in the fall

Nickel soldier playing war  
Silver lining downpour  
Jawbone asp whip, reign 'em in  
Marching onward

Goin'™ south
