

The Prisoner

George Baker Selection

One more sunrise
Prisoner back in me
One more time to see my wife
They say I'm a coward
Nobody's my friend
One more time to reach the end When I see the green, green grass
Flowers and a dread
Looking back to my home town
Now there is so much for me to live
One more sunrise
I beg it on my knees
I must to tell the people how I feel
They say I'm a coward
Nobody's my friend
One more time to reach the end When I see the green, green grass
Flowers and a dread
Looking back to my home town
Now there is so much for me to live
One more sunrise
I beg it on my knees
I must to tell the people how I feel
They say I'm a coward
Can't get out of there
One more time to reach the end
