

Green Eyed Baby

Maris

I'm sorry if you catch me staring at your lips
When you speak
But the way you form your words
Is so beautiful to me. Ooh
The sides of your mouth curl up
When you go to smile
I hope you don't throw my heart away
In a hopeless lovers pile
You've got eyes of emerald
And a heart of gold
I promise to love you forever
Even when we grow old
Aahh 'Cause you're my green eyed baby
You mean so much to me
And I can't help myself
Thinking 'bout what we could be
Woohh green eyed baby
Green eyed baby oohh
I love you so much
I keep my love for you a secret
I don't let it show
But I must not be doing very well
Because everybody seems to know
We'd hardly see each other
We both got work to do
But I can pull it off
The biggest question is, can you?
You've got eyes of emerald
And a heart of gold
I promise to love you forever
Even when we grow old
Aahh 'Cause you're my green eyed baby
You mean so much to me
And I can't help myself
Thinking 'bout what we could be
Woohh green eyed baby
Green eyed baby oohh
I love you so much
I look into your eyes
And I pray you love me too
I hope you get this message
I hope it makes it through
That you're my green eyed baby
You mean so much to me
And I can't help myself

Thinking 'bout what we could be
Woohh green eyed baby
Green eyed baby oohh
I love you so muchGreen eyed baby
You mean so much to me
And I can't help myself
Thinking 'bout what we could be
Woohh green eyed baby
Green eyed baby oohh
I love you so muchGreen eyed baby
You mean so much to me
And I can't help myself
Thinking 'bout what we could be
Woohh green eyed baby
Green eyed baby oohh
I love you so much
Green eyed baby
You mean so much to me
