I Do

Jamelia

[Foreign content]I've been around but never found
Someone that compares to you, my friend
But how can I tell you?That every time you cross my mind
I wish that I could be the one for you
It's time that you knewBut if I showed you how I really feel inside
Wonder what you'd do, would you run away and hide?
And if I told you what my heart is telling me
Would you tell me?
Would you feel the same way that I, I do, I do?If you were mine, I'd think you'd find
Nobody compares to me, my friend
Then why can't you see yeah?
I try to show you, but I don't wanna push you
'Coz I don't wanna lose you, ohBut if I showed you how I really feel inside
Wonder what you'd do, would you run away and hide?
And if I told you what my heart is telling me
Would you tell me?
Would you feel the same way that I, I do, I do?But if I showed you how I really feel inside
Wonder what you'd do, would you run away and hide?
And if I told you what my heart is telling me
Would you tell me?
Would you feel the same way that I, I do, I do, I do?You know that I'm waiting
(You know that I'm waiting, baby)
Waiting for you to let me knowAll this time that you were wasting, yeah, yeah
(All this time that you were wasting)
It could be, you and me, I am all you needBaby, tell me, if you want me
'Coz you want me like I want you
I want you, yes, I do
I, I, I, I want it this timeBut if I showed you, wonder what you'd do?
And if I told you that, would you tell me?
Would you feel the same way that I, I doBut if I showed you, wonder what you'd do?
And if I told you, would you tell me?
Would you feel the same way that I, I doBut if I showed you, wonder what you'd do?
And if I told you, would you tell me?
Would you feel the same way that I, I doTold you, told you, told you, told you
