This Time

The Verve

Lookin' back on my life
You know that all I see
Are things I could've changed
I should have done
Where did the good times go?
Good times so hard to hold
This time, this time
This time I'm gonna findLookin' back on my life
You know that all I see
Are things I could've changed
I could have done
No time for sad lament
A wasted life is bitter spentSo rise into the light
In or out of time
Gonna rise straight through the light
In or out of timeWoke up one other day
The pain won't go away
I am growing
In peculiar ways
Into a light I pass
Another dream, another trance
This time, this time
This time I'm gonna rise into the light
In or out of timeGonna find my way in life
In or out of sight
I'm still seeing things in black and white
Gonna rise straight into the light
In or out of sightI'm gonna see the light
I'm gonna see the light
I'm gonna see the light'Cause I know there is time
There is time
There is time
There is time
There is time
There is time
There is time
There is time
This time, this time
This time, this time

This time, this time
This time, this time
