

# Crazy Little Thing Called Love

## Queen + Paul Rodgers

When you stand so close to me  
I'm feeling butterflies  
Is this the way that it's supposed to be  
When I look into your eyes  
All you have to do is say my name  
I st-stutta melt like butta  
Since I met you boy my whole world's changed  
I can't hide this or deny this  
Boy you got me catchin' feelin's  
Got me thinkin' maybe you're the one  
I didn't understand the reason  
That my heart was beatin' like a drum  
I didn't understand the meanin'  
Then you opened up my eyes  
To a crazy little thing called love  
Crazy little thing called love  
Crazy little thing called love, woah, yeah  
My best friend's tellin' me "Rihanna  
What's got into you?"  
I said, "Aleandra I can't explain  
These feelings I'm goin' through"  
They tell me girl it's not like you  
To fall this way  
I try my best to wear a disguise  
But it's written on my face  
Boy you got me catchin' feelin's  
Got me thinkin' maybe you're the one  
I didn't understand the reason  
That my heart was beatin' like a drum, yeah  
I didn't understand the meanin'  
Then you opened up my eyes  
To a crazy little thing called love  
Crazy little thing called love  
A crazy little thing called love  
A crazy, crazy little thing called love  
It's not crazy, it's amazing, it's the lovin' that you're feelin'  
Put a tinglin' in your body, every time you wanna heal it  
Hey, Rihanna baby girl for you, ma sing a songa so tell the DJ  
Put it pon de replay if you wanna

Come on my bajan baby, let me take you to Jamaica  
Introduce you to the real type of lovin' that you outta  
Baby, you're my number one, my number two  
So if it's lovin' that you want, baby you should make me your boo  
Boy you got me catchin' feelin's  
Got me thinkin' maybe you're the one  
I didn't understand the reason  
That my heart was beatin' like a drum  
I didn't understand the meanin'  
Then you opened up my eyes  
To a crazy little thing called love  
Crazy little thing called love  
Crazy little thing called love, oh yeah  
Don't understand the meanin'  
This feelin's crazy, baby  
I try my best not to show  
But you know it's so crazy, baby  
Crazy little thing called love  
Crazy little thing called love  
A crazy little thing called love, woah, yeah
