Senile King

Anvil

Times are changing and you'll soon have the power
The weak before the strong will break down and cower
Decrepit choices made for you and me
Archaic ploys with no future there to seeSelling arms to support the contras
Runs the world just like the Costra Nostra
Times are changing
RearrangingSenile king
Senile kingAnd when you disagree and rally in protest
Who will win this death-defying contest?
Tables turning
Bridges burningSenile king
Senile king
Will destroyThe more I think about it, less sense of it I make
They'll never pay for deeds made in aged haste
No, instead they'll die high up in ivory towers
But just how old will you be in your finest hour?
Tides are shifting
Sands are sifting
