

# If I Gave (a Confession Of Hope)

**Shai**

Ooh, ooh, if I, if I gave  
Gave u my heart  
And my soul to you  
Oh, then I, I would have  
Nothing to give  
Let you've given me  
So I pray to you Lord  
That you'll understand  
For you supply all my needs  
Mm, mm, and if I, if I gave  
Gave you the trust  
And my mind to choose  
Then I, I would have  
Nothing to fear  
Just to believe in ourselves  
It will guide us to victory
