

I Really Don't Want To Know (LP Version)

[Esther Phillips](#)

How many arms have held you
And hated to let you go
How many, how many I wonder
But I really don't want to know
How many lips have kissed you
And set your soul aglow
How many, how many I wonder
But I really don't want to know
So always make me wonder
Always make me guess
And even if I ask you darling
Don't confess
Just let it remain me and your secret
But darling I love you so
No wonder, no wonder I wonder
No, I really don't want to know
