

Paint a Smile On Me

Black Yaya

Yeah
Hum hum
C'mon c'mon
See I sit down by the window and stare
The blind is shut but I don't care
I'm going up, i'm going down
I'm going nuts when you're not around
Don't you, paint a smile on me
If you aren't gonna need me
Now, do i say
And when it's night say how'd you wanna go surfing
I'll say I stay and then I do some working
And when all is setting done
I can't do nothing when you're gone
Don't you, paint a smile on me
Don't you, paint a smile on me
Don't you, paint a smile on me
If you aren't gonna need me
Paint a smile on me, don't you
Paint a smile on me, don't you
Paint a smile on me, don't you
If you aren't gonna need me
The nights without you to hold me tight
These are nights where i can't feel right
Nine one o, nine o nine
I'm counting back till you say you're mine
Paint a smile on me, don't you
Paint a smile on me, don't you
Paint a smile on me, don't you
If you aren't gonna need me
Don't you, paint a smile on me
Don't you, paint a smile on me
Don't you, paint a smile on me
If you aren't gonna need me
