For We Are Forever

Caliban

We are the past, we are the now, we are everything that's down the road
Hate-filled hearts march through the streets and spread disease of their make believeThe world is fucked - wake up!Hey hey, let's reach out to the sky
Hey hey, no rest until we die
Hey hey, put your hands together
Hey hey, for we are foreverRise up!
Stand up!
We'll never stop
It's on us, it's in our hands
For better times will come again
An open heart, an open mind
We stand tall from end to endThe world is fucked - wake up!Hey hey, let's reach out to the sky
Hey hey, no rest until we die
Hey hey, put your hands together
Hey hey, for we are foreverLet's reach out to the sky - no rest until we die
We'll never fall apart - we are forever
Hey hey, let's reach out to the sky
Hey hey, no rest until we die
Hey hey, put your hands together
Hey hey, for we are foreverThe world is fucked - wake up - the world is fucked!
