

# Keep Your Head Up

## Danny Wheeler

wooh, ehhhh, woooooh.  
I've been waiting on the sunset  
    Bills on my mindset  
I can't deny That they're gettin high  
    Higher than my income  
    In comes breadcrumbs  
I've been trying to survive  
    The glow that the sun gives  
    Right around sunset  
    Helps me realize  
    This is just a journey  
    Drop your worries  
You are gonna turn out fine.  
    Oh, you'll turn out fine.  
    Fine, oh, you'll turn out fine.  
But you gotta keep your head up, oh,  
    And you can let your hair down, eh.  
    you gotta keep your head up, oh,  
And you can let your hair down, eh.  
    I know it's hard, know its hard,  
    To remember sometimes,  
But you gotta keep your head up, oh,  
    And you can let your hair down, eh.  
    I've got my hands in my pockets,  
    Kickin these rocks.  
Its kinda hard to watch this life go by.  
    I'm buyin into skeptics,  
Skeptics mess with, the confidence in my eyes  
    I'm seeing all the angles, starts to get tangled  
    I start to compromise  
    My life and the purpose.  
    Is it all worth it,  
    Am I gonna turn out fine?  
  
    Oh, you'll turn out fine.  
    Fine, oh, you'll turn out fine.  
But you gotta keep your head up, oh,  
    And you can let your hair down, eh.  
    you gotta keep your head up, oh,

And you can let your hair down, eh.

I know it's hard, know its hard,

To remember sometimes,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

Only rainbows after rain

The sun will always come again.

And its a circle, circling,

Around again, it comes around again.

Only rainbows after rain

The sun will always come again.

And its a circle, circling,

Around again, it comes around,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

you gotta keep your head up, oh,

And you can let your hair down, eh.

I know it's hard, know its hard

To remember sometimes,

But you gotta keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down, eh.

Keep your head up, oh,

And you can let your hair down.
