Panic Attack

UNKLE

As I juxtapose
Between lock and load, gotta cut some slack
Between these back to back panic attacks
(Panic attack, panic attack)I love the madness it's killing me
Our love is behind
And I'm so blind I cannot seeAs I juxtapose
In between lock and load gotta cut some slack
Between these back to back panic attacks
(Panic attack, panic attack)I love the madness it's killing me
Our love is behind
And I'm so blind I cannot see
I love the madness
