Journey To Forever

Ayreon

We're on a journey to forever
Dreams eternal, in a wondrous world without walls
We are Forever, wondering what the future holdsI hear you, a distant voice inside my brain
I see you, so clear, though you're so far away
united, together though we're miles apart
undivided, a symbiosis of the heartWe're all connected, a never-ending synergy
We're a collective, an infinite community, immortal harmony, eternal unityI'm ready to dive into this brave new world
commencing the morning of our second birth
it's coming, the rising of a glorious age
it's starting, the dawn of a superior raceWe're on a journey to forever
Dreams eternal, in a wondrous world without walls
We are Forever, wondering what the future holds
We're all connected, a never-ending synergy
Our minds have melded, a singular society
We're a collective, an infinite community
A perfect symmetry, immortal harmony, eternal unity
