

# Love Is Blindness (The Voice Performance)

Jacquie Lee

Love is blindness, I don't want to see  
Won't you wrap the night around me?  
Oh, my heart love is blindness. I'm in a parked car, on a crowded street  
And you see your love made complete.  
The thread is ripping, the knot is slipping  
Love is blindness. Love is clockworks and it's cold steel  
Fingers too numb to feel.  
Squeeze the handle, blow out the candle  
blindness. Love is blindness, I don't want to see  
Won't you wrap the night around me?  
Oh, my love,  
Love is blindness. A little death without mourning  
No call and no warning  
Baby, a dangerous idea  
Almost makes sense. Love is drowning in a deep well  
All the secrets, and nobody else to tell.  
Take the money, why don't you honey...  
Blindness. Love is blindness, I'm so sick of it  
Won't you wrap the night around me now?  
Oh, my love,  
Love is blindness. Squeeze the handle, blow out the candle  
Blindness
