Condemnation

Pink Cream 69

wise men say
listen to your heart
don't throw your dreams away
mad men play
with power and they say
blow those fools awaywe don't need power play people
they piss me offwe don't need condemnation
we're not breakin' the law
we don't need condemnation
leave us alonefools have shown
what everyone had known
and all have known the truth
lovers fight
they lie to make it right
the truth can sometimes hurtwe don't need power play people
they piss me offwe don't need condemnation
we're not breakin' the law
we don't need condemnation
leave us aloneyou don't have time
so open up your mind
no two think the same
let them be
maybe then they'll see
there's no one to blamewe don't need power play people
they piss me offwe don't need condemnation
we're not breakin' the law
we don't need condemnation
leave us alone
