

# Condemnation

## Pink Cream 69

wise men say  
listen to your heart  
don't throw your dreams away  
mad men play  
with power and they say  
blow those fools away we don't need power play people  
they piss me off we don't need condemnation  
we're not breakin' the law  
we don't need condemnation  
leave us alone fools have shown  
what everyone had known  
and all have known the truth  
lovers fight  
they lie to make it right  
the truth can sometimes hurt we don't need power play people  
they piss me off we don't need condemnation  
we're not breakin' the law  
we don't need condemnation  
leave us alone you don't have time  
so open up your mind  
no two think the same  
let them be  
maybe then they'll see  
there's no one to blame we don't need power play people  
they piss me off we don't need condemnation  
we're not breakin' the law  
we don't need condemnation  
leave us alone
