

# Faith

Ada

I cry for the love in your eyes,  
and I try to let you be free

If you're blue,  
don't let it worry you,  
we'll make it through  
and if you don't believe me

Faith will come humbly down,  
fear will come tumbling down  
faith will come humbly down,  
fear will come tumbling down

Cynics may fill the books,  
critics may give you looks,  
but i'll? stand by you 'til you die  
and i'll be wise in the afterlife

Faith will come humbly down  
fear will come tumbling down  
faith will come humbly down  
fear will come tumbling down
